No. F. 27/28-9.

The cost of each flag is Rs 20/-. The cost of fixing the staff is estimated at Rs 40/-. Thus, each Taluk office costs Rs 60/-. There are 70 Taluk Offices and 7 Sub Taluk Offices. The total cost to be borne by the Revenue Department will be about (77 x 60 = 4620) Rs 4620/-. The amount is fairly large and has not been taken into consideration while framing the expenditure Budget of the Department of next year 1929-30. As the proposed grants for next year 1929-30 under "Contingencies - Rs 30,000/-" and "Other contingencies - Rs 4,000/-" are not sufficient even for the usual expenditure, this expenditure can only be incurred if Government enhance the grant by Rs 5000/- now alone (the Budget has not yet been sanctioned), or if they are agreeable to a supplemental grant to that extent in the course of next year.
